

Exchange Notice

2011-01-05

IT 4/11

**IT – Additional shares for CCP clearing in NASDAQ OMX
Helsinki and Stockholm as of January 24th 2011**

NASDAQ OMX Nordic exchanges in Helsinki and Stockholm will transfer the shares listed in table below from bilateral clearing to central counterparty clearing serviced by EMCF as of Monday, January 24th 2011.

The transfer is based on the NASDAQ OMX Nordic market cap segment review, resulting in these shares to be CCP eligible.

Changes in INET Nordic basic data

Below shares' segment connection will change to market segment for CCP – see table below. Other orderbook identifiers remain unchanged.

-Orderbook ID's-**-Transfer to-**
