

Riga, 6 May 2015

**AS "LATVIJAS TILTI" comments on 5 May 2015 Vilnius District Court adopted decision
in the tender conditions of the public procurement "Trans-European Transport
Network: Ring Road of Vilnius City, Part III"**

AS "LATVIJAS TILTI" informs, that on 5 May 2015 Vilnius District Court adopted the decision in case No 2-3992-653/2015 demanding to annul the restrictive requirements stated in the tender conditions of the public procurement "Trans-European Transport Network: Ring Road of Vilnius City, Part III" (henceforth the Tender) by which the court:

- terminated the case under the UAB "Legrana" claim regarding Clauses 15.11, 15.12, and 15.13 of Tender conditions and UAB "Eltel Networks" claim to the extent it relates to Clauses 18 and 19 of Tender conditions;
- dismissed the claims of AS "LATVIJAS TILTI", UAB "Kauno Keliai", and consortium of UAB "Eltel Networks" and UAB "Legrana";
- upon entry into force of the court's decision, ordered to eliminate the interim measures - suspension of the Tender procedure;
- dismissed Vilnius City Municipality's requests regarding elimination of interim measures and application of security of potential losses resulting from application of interim measures against AS "LATVIJAS TILTI".

The decision of Vilnius District Court may be appealed during 14 days of its adoption. If the decision is appealed within this term, the interim measures will stay in force and the Tender will remain suspended.

AS "LATVIJAS TILTI" disagrees with the decision of Vilnius District Court and intends to appeal it to the Lithuanian Court of Appeals.

Vilnius City Municipality will have the right to claim damages resulting of application of interim measures in court only if the following conditions are met: (i) AS "LATVIJAS TILTI" claim is dismissed by a final and non-appealable decision, and (ii) the Municipality proves all three conditions for claiming damages (unlawful actions of AS "LATVIJAS TILTI", actual damages, and causal link between damages and actions).

Yours Sincerely,

AS "LATVIJAS TILTI"
Chairman of the Board
GENADIJS KAMKALOVŠ
