Nets receives takeover offer

Evergood 5 AS (the "Offeror"), a newly formed company controlled by funds managed and advised by Hellman & Friedman LLC has today announced that it will submit a voluntary recommended public takeover offer (the "Offer") to buy the entire share capital of Nets A/S ("Nets" or the "Company") for DKK 165 per share in cash (the "Offer Price")

- The offer represents a 27% premium to the share price of Nets on 30 June 2017, the day before Nets confirmed it had received takeover approaches, and a 35% premium to the Volume Weighted Average Price of DKK 122 per share during the six months ended 30 June 2017
- Shareholders representing 46.0% of Nets' share capital have agreed to accept the offer
- The Board of Directors has decided to recommend that Nets' shareholders accept the Offer when made, following careful consideration of all options available

Inge Hansen, Chairman of Nets said: "We believe the offer represents attractive value to Nets' shareholders. Hellman & Friedman approached us in June, following which we received a number of other expressions of interest and held discussions with selected parties. Having considered all options available to us, including continuing as a listed company, we are satisfied that the cash offer of DKK 165 per share to all shareholders is the most attractive alternative available. We believe Hellman & Friedman is a responsible, growth oriented owner who will be able to take a long-term strategic approach to the development of Nets to the benefit of our stakeholders."

Background

On 1 July 2017 (company announcement 22/2017), Nets confirmed that it had been approached by potential buyers and was reviewing its options. On 1 September 2017 (company announcement 25/2017), Nets further confirmed that discussions were still ongoing regarding a potential takeover offer. The discussions started with the Board of Directors receiving a proactive non-binding approach and it has since carefully considered all expressions of interest in the company as well as other strategic options in the best interest of shareholders. Discussions have been held with multiple parties and resulted in one binding and attractive offer, as announced today, from the Offeror.

The Offeror

The Offer is being made by Evergood 5 AS, a newly formed company controlled by funds managed and advised by Hellman & Friedman (the "H&F Funds"). The consortium behind Evergood 5 AS will consist of H&F Funds, GIC Private Limited (investing through Eiffel Investment Pte Ltd (a nominated investment vehicle of GIC Special Investments Pte Ltd)) and funds managed and/or advised by Advent International Corporation ("Advent") and Bain Capital Private Equity (Europe) LLP ("Bain") respectively (and certain other indirect minority co-investors, including Sampo PLC, funds managed and advised by StepStone Group LP and a fund managed by Fisher Lynch Capital LLC).

Board recommendation and acceptance from other shareholders

Today, Nets has entered into an agreement with the Offeror, whereby the Offeror, subject to certain conditions, has agreed to make a voluntary recommended all-cash offer to acquire all of the outstanding shares of Nets.

The Board of Directors of Nets has decided to recommend the shareholders to accept the Offer when made and will in accordance with Section 23 of the Takeover Order (bekendtgørelse nr. 562 af 2. juni 2014 om overtagelsestilbud) publish a statement in respect of the Offer upon publication of the final offer document as approved by the Danish Financial Supervisory Authority. James Brocklebank and Robin Marshall, being members of the Board of Directors representing AB Toscana (Luxembourg) Investment S.à r.l. abstained from taking part in the Board of Directors' deliberations and voting in relation to the Offer and the entering into of the aforesaid agreement.

Nets' shareholders AB Toscana (Luxembourg) Investment S.à r.l., controlled directly or indirectly by funds managed and/or advised by Advent and Bain respectively and GIC Pte Ltd., have, subject to certain conditions, irrevocably agreed to accept the Offer in relation to all of their shares in the Company. Furthermore, the members of the Board of Directors, Executive Management and other members of the Executive Committee have irrevocably agreed, subject to certain conditions, to tender their shares at the Offer Price when the offer document is published. At the time of this announcement, shareholders representing in total 46.0% of the Company's share capital have agreed to accept the Offer.

Offer process and conditions

The announcement of the Offeror's decision to make the Offer is attached and is hereby published in accordance with Section 4(1) in the Executive Order on Takeover Bids (bekendtgørelse nr. 562 af 2. juni 2014 om overtagelsestilbud).

The Offer will be conducted in accordance with Danish law and the terms and conditions of the Offer will be set out in an offer document, which will be published by the Offeror upon approval by the Danish Financial Supervisory Authority and no later than 4 weeks from the date of this announcement.

The offer will be conditional on, inter alia, customary merger clearance and regulatory approvals and offer acceptance from more than 90% of the share capital and voting right of Nets. A full list of conditions will be included in the offer document.

Completion of the Offer is expected to be in Q1 2018.

Financial guidance

Nets full year 2017 guidance is unchanged compared to the statement in the Q2 2017 company announcement of 17 August 2017, except the guidance relating to special items which is changed from DKK 200 million to approx. DKK 230 million. The increase relates entirely to costs associated with the takeover offer.

Any person acquiring possession of this announcement or any other document referring to the Offer is expected and assumed to obtain on his or her own accord any necessary information on any applicable restrictions and to comply with such restrictions.

This announcement does not constitute an offer or invitation to purchase any securities in Nets A/S or a solicitation of an offer to buy any securities, pursuant to the Offer or otherwise. Announcement of recommended all-cash takeover offer for Nets A/S

September 25, 2017

Evergood 5 AS (the **Offeror**), a newly formed company controlled by funds managed and advised by Hellman & Friedman LLC (**Hellman & Friedman** or **H&F**), today announces that it has agreed to make a recommended voluntary takeover offer (the **Offer**) to acquire Nets A/S (**Nets** or the **Company**) offering DKK 165 for each share in cash, valuing the entire issued capital of the Company at DKK 33.1 billion.

GIC, funds managed and/or advised by Advent International Corporation (**Advent**) and funds managed and/or advised by Bain Capital Private Equity (Europe) LLP (**Bain**) (through a newly incorporated company jointly controlled by both), Sampo PLC, funds managed and advised by StepStone Group LP and a fund managed by Fisher Lynch Capital LLC will be indirect minority co-investors in the Offeror alongside certain other minority co-investors.

The Board of Directors of Nets recommends that shareholders accept the Offer, when made. Shareholders representing in total 46% of the share capital of Nets have agreed to accept the Offer, including AB Toscana (Luxembourg) Investment S.à r.l. (**AB Toscana**), in respect of its 39.9% shareholding in Nets, as well as members of the Board of Directors and Executive Committee of Nets.

The Offer represents a 27% premium to the undisturbed closing price of DKK 129.5 on June 30, 2017 prior to Nets' announcement on July 1, 2017 where Nets, in response to speculation in the media that it had drawn interest from potential buyers, confirmed it had been approached. The Offer represents a 35% premium to the volume weighted average share price of DKK 122.0 for the six months ended June 30, 2017. The Offeror believes that its Offer represents a highly attractive value proposition for Nets' shareholders.

Upon completion of the Offer, the Offeror intends to delist Nets from Nasdaq Copenhagen. It will aim to further develop Nets as a private company in the best interest of the business, its customers and employees.

The payments industry is evolving fast, driven by changing consumer behaviour, new technologies and regulatory intervention. Furthermore, the industry has recently seen accelerated consolidation with competitors gaining significant scale and expanding their geographical footprint. The Offeror believes that the Company would be better positioned to react to these developments in the private domain.

Stefan Götz, Managing Director of Hellman & Friedman, comments: *"At Hellman & Friedman we are highly experienced in investing in dynamic and fast-moving industries. Our flexible and long-term capital, growth focus and sector expertise are assets that we believe will help Nets remain competitive in this increasingly challenging and consolidating environment. Our all-cash offer represents an attractive premium for Nets shareholders at a time when the business is facing uncertainties which will require significant investments better addressed in a private environment. We are delighted that the Board of Directors has agreed to recommend our Offer."*

Inge Hansen, Chairman of Nets, comments: *"We believe the offer represents attractive value to Nets' shareholders. Hellman & Friedman approached us in June, following which we received a number of other expressions of interest and held discussions with selected parties. Having considered all options available to us,*

including continuing as a listed company, we are satisfied that the cash offer of DKK 165 per share to all shareholders is the most attractive alternative available. We believe Hellman & Friedman is a responsible, growth oriented owner who will be able to take a long-term strategic approach to the development of Nets to the benefit of our stakeholders."
