

**Transactions in relation to share buyback program**

Acting under its share buyback authorization, the GN Store Nord board of directors initiated a share buyback program on May 4, 2017 in accordance with article 5 of the regulation (EU) no. 596/2014 of 16 April 2014 on market abuse and the delegated regulation (EU) no. 2016/1052 of 8 March 2016, also referred to as the Safe Harbor rules (company announcement no. 20 of May 4, 2017).

The share buyback program has been initiated in order to reduce the company's share capital and to cover obligations under the long-term incentive program.
